CHAPTER 1: INTRODUCTION

The European Commission's Online Submission Service (hereinafter referred to as 'Submission Service') is designed to automate the documentation submission process for organisations and individuals interested in submitting proposals for funding under various EC program initiatives.

Document Scope and Structure

The purpose of the Proposal Submission Guide is to describe how beneficiaries can prepare and submit a Proposal using the Submission system. The document also provides additional reference information about the Service, as well as troubleshooting and configuration advice.

The following sections of information are available:

- *CHAPTER 1: INTRODUCTION* provides information and links to the relevant resources, a high level description of what you will need to prepare prior to your submission, a list of user actions, and contact and support information.
- *CHAPTER 2: SUBMITTING YOUR PROPOSAL THROUGH THE ONLINE SUBMISSION SYSTEM* provides step-by-step guidance on how to submit your information using the Commission's online system.
- *CHAPTER 3: REFERENCE GUIDE TO SCREENS, ROLES & ACCESS TO USER ACTIONS* describes the screens and the basic tasks you can perform using the system, as well as a description of the user roles in the system.
- *APPENDIX A: TROUBLESHOOTING, COMPATIBILITY & CONFIGURATION ISSUES* provides general information on common issues and solutions relating to system compatibility, configuration, and troubleshooting.
- *APPENDIX B: REGISTRATION* provides instructions on how to register a new account with the European Commission Authentication Service (ECAS).
- *APPENDIX C: CALLS WITH SPECIFIC CONTACT ROLES* contains examples and guidelines related to rare cases with calls that require specific contact roles in the proposal submission process.
- The *GLOSSARY* section contains descriptions of the most common specialised terms that you might come upon in this document.

The Proposal Submission Process

Learning about the EC Grant Proposal Process

It is very important that you familiarize yourself with the overall research and innovation grant process by first consulting the [HOW TO PARTICIPATE](#) page on the Participant Portal. There you will find a wealth of information including the [Horizon 2020 Online Manual](#), numerous [Reference Documents](#), the [Beneficiary Register](#), a [Financial Capacity Self-Check](#), as well as important information on the participation of [Micro, Small and Medium Enterprises \(SMEs\)](#). Please read through all these resources prior to starting your Submission process.

Proposal Submission Preparatory Checklist

In preparation for your online application submission process, you must go through the following steps:

1. Decide on the funding opportunity that you want to apply for. [Funding Opportunities](#) are categorised as Work Programmes, Calls, Topics and Types of Actions. Programmes are listed under the Horizon 2020 title.
2. Select your Partners. Most calls require a consortium of three organisations. Relevant information can be found on the [Participant Portal](#).
3. Register as a user in [ECAS](#) (the European Commission Authentication Service). For instructions also see Appendix B at the end of this document.
4. Your organisation and your Partner organisations must register in the [Beneficiary Register](#) through the [Participant Portal](#) and receive a Participant Identification Code (PIC). Additional information is available in the [Beneficiary Register Manual](#).

Quick Steps to the Online Submission Process

The following basic user actions are involved in the online submission process. Refer to Chapter 1 for the detailed step-by-step procedures.

1. *Login* to the Participant Portal and *Select your Topic*
2. *Create Draft* of your proposal
3. *Manage Your Related Parties*
4. *Edit Proposal* draft form, download templates, complete all required information, upload files and submit your proposal
5. Following submission, you can *re-edit*, *download* or *withdraw* your proposal (except for continuously open calls where you can only download the proposal)
6. Invite *Partners* to the process

Accessing Your Draft and Submitted Proposals

You can access your saved proposal drafts as well as your submitted proposals at any time, from the [My Proposals](#) page in the Participant Portal (you must be logged in). Alternatively, you can access your proposals from the [My Organisations](#) page in the Participant Portal using the  action button for the organisation.

Contact and Support

For questions on any aspect of grant applications and the EU Research Framework Programmes, including beneficiary registration and data updates, please refer to the [Horizon 2020 Helpdesk](#).

For any IT-related problems that you might experience with the Submission system, please contact the [Research IT Helpdesk](#).

Once you have started the submission process, additional contact information is available at the bottom of the submission page.

CHAPTER 2: SUBMITTING YOUR PROPOSAL THROUGH THE ONLINE SUBMISSION SERVICE WIZARD

Once you have your ECAS username and password, your PIC and your Partners' PICs, you can start the submission process by logging in to the Participant Portal and using the European Commission's online Submission Service Wizard.

USER ACTION #1: Log In & Select Your Topic

To log in and select your call, perform the following steps:

1. Go to the Participant Portal:
<http://ec.europa.eu/research/participants/portal/desktop/en/home.html>

The screenshot shows the homepage of the European Commission's Research & Innovation Participant Portal. At the top, there is a navigation bar with links for (A-Z) Sitemap, About this site, Contact, Legal Notice, and a language dropdown set to English. The main header features the European Commission logo and the text 'RESEARCH & INNOVATION Participant Portal'. Below this is a breadcrumb trail: 'European Commission > Research & Innovation > Participant Portal > Home'. A secondary navigation bar includes 'HOME', 'FUNDING OPPORTUNITIES', 'HOW TO PARTICIPATE', 'EXPERTS', and 'SUPPORT'. On the right side of this bar, there are 'LOGIN' and 'REGISTER' buttons, with the 'LOGIN' button highlighted by a green box. The main content area features a 'Horizon 2020 Funding' banner with the text 'Starting from 1/1/2014'. Below the banner, it states: 'On this site you can find and secure **funding** for research & innovation projects under the following EU programmes:'. A bulleted list follows: '• 2014-2020 Horizon 2020 - research and innovation framework programme' and '• 2007-2013 7th research framework programme (FP7) and Competitiveness & Innovation Programme (CIP)'. There are two columns of user actions: 'Non-registered users' (search for funding, read the H2020 Online Manual, check if an organisation is already registered, contact support services) and 'Registered users' (submit your proposal, sign the grant, manage your project throughout its lifecycle). At the bottom, there is a row of six icons with labels: 'WHAT'S NEW?', 'FUNDING OPPORTUNITIES', 'HOW TO PARTICIPATE', 'WORK AS AN EXPERT', 'MY PERSONAL AREA', and 'INFORMATION AND SUPPORT'. The footer contains the text '© European Communities' and a list of related programs: 'HORIZON 2020', 'RESEARCH ON EUROPA', 'CORDIS', and 'OLAF'.

2. Click . You will be prompted to authenticate through the ECAS login screen:

3. Make sure that the domain shown is **External** – as shown in the visual example above.
4. If this is not the case, click the **[Change it]** link.
5. In the domain selection screen that opens, select the **External** option, as indicated in the visual example below:

The system will return you to the ECAS login screen.

6. In the ECAS login screen (as shown in step 2 above), provide your ECAS user name and password to login to the online Submission Service.
7. Once logged in, you will need to select the Call Topic for which you will submit your proposal. (Note: A Programme comprises many Calls and each Call can have one or more Topics. A submitted proposal is always for one Topic.)

To find and select a Call Topic, click on Funding Opportunities:

8. Scroll through the list of Work Programmes listed under the title Horizon 2020.

You filter the results list in the following ways:

- a. To sort the results by type and/or status, select from the respective options on the right-hand side of the filtering panel
- b. To search by a key word, type a relevant word in the "Filter a call" field to search by, and click

- Check the box for the Programme of your preference and you will then see its respective Calls appear underneath:

Horizon 2020

Excellent Science

- European Research Council
- Future and Emerging Technologies
- Marie Skłodowska-Curie actions
- Research Infrastructures

Industrial Leadership

- Leadership in enabling and industrial technologies(LEIT)
- Access to risk finance
- Innovation in SMEs

Call summary

ERC Consolidator Grants are designed to support excellent Principal Investigators at the career stage at which they may still be consolidating their own independent research team or programme. This action is open to researchers of any nationality who intend to conduct their research activity in any Member State or Associated Country.

The ERC's frontier research grants operate on a 'bottom-up' basis without predetermined priorities. The call '**ERC-2014-CoG**' consists of **one call with a single deadline** applying to each of the three main research domains:

- Physical Sciences & Engineering (Panels: PE1 – PE10),
- Life Sciences (Panels: LS1 – LS9),
- Social Sciences & Humanities (Panels: SH1 – SH6).

The deadline for all domains of this call is **20 May 2014, 17:00:00** (Brussels local time).

The **budget** indicated above is the total budget covering **all domains**.

Please note that the document '*Information for applicants to the Starting and Consolidator Grant 2014 calls*' is now available in the 'Call documents' section. The link for the electronic proposal submission system should be made available in February.

next >>

You would typically select the top-level role (**Main contact** for most calls) for the Proposal Coordinator organisation during the initial proposal draft creation. If you decide to use the **Contact person** role (or another role if the call uses specific roles – see below), make sure to add the top-level role (**Main contact**) in the next steps **before you submit your proposal**.

Note: For more information about roles in the system, see section *Roles: Proposal Coordinator, Partner, Contact Person* further in this document.

IMPORTANT: Most calls use the standard **Main contact** and **Contact person** roles for the Proposal Coordinator organisation. However, some calls (e.g. *H2020-MSCA-IF-2014* and *ERC-2014*) may require more specific roles, such as **Principal Investigator, Main Host Institution Contact, Researcher, Supervisor, Applicant**, and so on. Calls of this type are pre-configured accordingly so that the proposal submission forms for them contain special sections to address the specific roles and the respective data as needed. Likewise, the Proposal Submission Wizard for these calls will display the respective role options, as configured for each call. For more information about calls with special roles, see *Appendix C: Calls with Specific Contact Roles* at the end of this document.

4. Fill in the **Acronym** field.
5. Fill in the **Summary** field.
6. Click .

7. You will be presented with the following **Disclaimer** – click  to accept it and proceed, or  to decline it and cancel the proposal submission.

Submission and Evaluation of Proposals Assent Disclaimer

By pressing the following button, you accept the terms and conditions of usage of this site and more specifically :

Proposal pre-registration data

1. Information used for the pre-registration and creation of a draft proposal: Call, topic, type of action; Participant Identification (PIC) code of your Organisation, Acronym, Short Summary, Panels and Keywords. (Step3) and the list of participating organisations (Step4) - can be used by the services in charge for the planning of evaluations.
2. Short Summary describes briefly the purpose of the proposal with a maximum of 2,000 characters. Entering at least keywords will help the services in the planning of the evaluations. Coordinators may choose to enter 'xxx' at this stage should they prefer not disclosing any data. The 'Short summary' information is then copied to the "Abstract" field in the administrative form and can be modified there.

If you do not wish any of your pre-registration data to be available to the European Commission/service in charge prior to call closure then please send an email to the Participant Portal Service Desk (address available at the foot of the screen and in the User Guide).

Part B

3. **File format:** For the Technical Annex (part B) you must use exclusively PDF ("portable document format", compatible with Adobe Acrobat version 5 or higher, with embedded fonts). Annexes might have an obligatory page limit. Please check for the number and type of mandatory or optional annexes for the call in the relevant call documentation. Annexes with excess pages where page limit applies, will receive a watermark upon upload to the system. Users will receive a warning when trying to submit an annex with excess pages.
4. **Time constraints:** Preparation and uploading of the PDF formatted technical annex may take some time. You should ensure that this has been completed in time, well before the call closure deadline.

Submission

5. In order to be made available for evaluation, proposals must be submitted prior to the call closure deadline. Likewise, modifications to proposals or uploaded attachments are also required to be submitted prior to the call closure deadline or they will not be taken into account. Proposals may be submitted or withdrawn at any time prior to the call closure deadline. There is only ever one version of a submitted proposal, as submission over-writes the previous version.

Personal Data

6. We will process personal data in accordance with Regulation No 45/2001 and according to the "notifications of the processing operations" to the Data Protection Officer (DPO) of the Commission/Agency (publicly accessible in the DPO register). Read more on the Legal Notice of the Participant Portal.

**Regulation (EC) No 45/2001* of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data (OJ L 8, 12.01.2001, p. 1).

8. You will receive a message on your screen that your draft proposal has been created. You will also receive a confirmation email.

9. Click [Continue with this proposal](#) to proceed to the next step.

To postpone this action for a later time and return to your list of proposals in the Participant Portal, click [Go to My Proposals](#).

USER ACTION #3: Manage Your Related Parties and/or Edit Contact Details

In this step you can add, remove, and manage additional Partners and their contact persons (roles). You can also edit the contact person's details of the main organisation.

Note: You can **only** add Partners for **1-stage calls** or during the **second stage of a 2-stage call** (in 2-stage calls, you submit an outline proposal during the first stage and only the Proposal Coordinator is taking part in this action – additional Partners can be added during the second stage if reached).

1. You will be taken to **Step 4 - Manage your Related Parties**, as shown in the visual example below:

The screenshot displays the 'Step 4: Manage Your Related Parties' interface. At the top, a progress bar indicates the current step is 'PARTIES'. The main content area is titled 'Parties' and includes instructions for coordinators. A red warning box highlights 'Consortium eligibility' requirements. A table lists one participant as 'Coordinator'. A sidebar on the left shows project details for 'NCP_IA' and a configuration status.

2. The system will advise you of the *Consortium Eligibility* requirements for the minimum number of participants.

Consortium eligibility
Call requires at least 3 participant(s) from different EU member states or associated countries, currently you have 1.

Note: Before you can invite a Partner, they must already have a PIC (see the *Submission Preparatory Checklist* section above).

3. Click **Add Partner** and a new screen will open, as shown in the visual example below:

Add partner ✕

Search for an organisation

Please enter the PIC of the organisation. If you do not know it, you may enter a (complete or partial) organisation name (e.g. "Oxford" or "University of Oxford"). Entering additional information like country/city usually leads to better results. You may also search based on VAT number of the organisation in international format (e.g. "GB123456789")

test

4. Enter your Partner's name in the search field and click **search**. You will be presented with the choices that match the name in your search field:

Add partner ✕

Search for an organisation

Please enter the PIC of the organisation. If you do not know it, you may enter a (complete or partial) organisation name (e.g. "Oxford" or "University of Oxford"). Entering additional information like country/city usually leads to better results. You may also search based on VAT number of the organisation in international format (e.g. "GB123456789")

- refine your search above
- view the complete search results [here](#)

[Click here](#) to register your organisation for a Participant Identification Code (PIC)

5. Once you find your Partner organisation, click the **use** button available for this organisation and the **Add Contact** window will open up.

6. Click on the question mark on the window to learn about the rules

7. Select the project role of the Partner Contact:

8. Select the access rights that you want to grant to your Partner contact. Only the person assigned the Main Contact role and having full access rights can submit an application.

Add contact [X]

TEST

Please enter the contact name and details: ?

Project Role: Main contact

Access rights: Participant contact (full access)
Team member (read-only access)

First Name * []

Last Name * []

Email Address * []

* required field

OK Cancel

Note: Once you grant full access rights to a Contact person, he/she will not be allowed to alter their own access level to 'read-only' – this can only be done by you as a Proposal Coordinator (or by another user with full access rights).

9. Fill in the fields and click OK

Add contact [X]

TEST

Please enter the contact name and details: ?

Project Role: Main contact

Access rights: Participant contact (full access)

First Name *: tester

Last Name *: tester

Email Address *: tester@tester.com

* required field

OK Cancel

Note: If the Contact person does not have an ECAS account yet, the system will use the e-mail provided for that contact to send them an invitation and grant ECAS access.

10. You will see the second contact appear in the Partner section

Repeat the same steps for the remaining Partner organisations.

You can perform the following actions for an existing partner company using the buttons described below:

- 1.  Delete participant**
Click this button to delete any participant except the coordinator.
- 2.  Partner information**
Click this button to see more information about the partner company.
- 3.  Add contact**
Click this button to add a new contact to an existing partner company.
- 4.  Resend invite to collaborate**
Click this button to re-send the invitation to collaborate in the proposal.
- 5.  Edit existing contact**
Click this button to edit an existing contact by clicking the pencil icon (5).
- 6.  Delete existing contact**
Click this button to delete an existing contact.
Note: You cannot delete a contact when this user is currently logged in.
- 7.  Contact information**
Click this button to see more information about the company contact. The name field will expand to show the email address and phone number of the contact.

Once you have completed this task, click on  and then click on  to go to user action step 4.

Note: At this point, the system will automatically generate emails to all the Partner contacts. The emails include all relevant information and links to access the proposal. The Access rights granted to each Partner contact will determine the level of access that the contact will have.

USER ACTION #4: Edit and Complete Proposal Draft Form, download Templates and complete all required information, Upload files, Validate and Submit your proposal

This step is the core of the submission process. You can come to this step by either clicking on [next >>](#), as stated above, or, to access a previously saved draft proposal form, go to **MY AREA > My Proposal(s)** page in the Participant Portal (you must be logged in) and click the **ED** button in the **ACTIONS** column for the respective proposal, as shown in the visual example below:

European Commission > Research & Innovation > Participant Portal > My Proposals

 My Project(s)
 My Notification(s)
 My Expert Area

My Proposals H2020 ONLINE MANUAL

This page provides a list of all proposals relating to you as a participant, as follows:

- proposals you have initiated or submitted as a Coordinator/Principal Investigator, or
- proposals you have contributed to as a project participant

You can view, edit or download your draft or submitted proposals, depending on the proposal status and the deadline of the relevant call.

To start preparing a new proposal, go to [Funding Opportunities](#), to the page of the call or topic that you want to apply for, and enter the **electronic submission system**.

You have now opened Step 5 of the online submission wizard:

The Action Buttons of the Wizard

The action buttons available on the screen are described in the table below

Button

Description

edit forms

Click to open the PDF form that you have to complete.

view history

Click to view in detail the list of all system and user actions. This function enables:

- the Proposal Coordinator to verify that partners have updated their forms
- Partners to verify that the coordinator has submitted the proposal in a timely fashion.

print preview

Click to open or download and save the proposal locally on your computer.

download templates

Click to download the latest proposal requirements package, in a readily editable (RTF) template.

Once completed, you must convert the proposal template into a PDF file.

upload

Click to upload the respective file.

The upload process for the complete set of files can take between a few seconds and a few minutes, depending on the speed of your Internet connection. When the upload is complete, the system displays a confirmation message and creates the respective entry in the history log.

Please check the requirements for uploading your files below.

4.1. FAMILIARIZING YOURSELF WITH THE WIZARD AND THE FORM

Click the first  button at the top of the screen to read the general help instructions for editing proposal forms, as shown on the visual example below:

The screenshot shows the 'Edit Proposal' wizard interface. At the top, a progress bar indicates the current step: **EDIT PROPOSAL**. The main heading is **Step 5 Edit Proposal**. A yellow banner displays **H2020-EUJ-2014**. Below this, user information for **Lazaros Bountouroglou** and proposal details for **EUJ-1-2014** are shown. A warning box states: **WARNING: This proposal contains changes that have not yet been submitted...**

The **Administrative Forms** section includes the text: **Edit will open the forms in Adobe Reader.** Below this are three buttons: **edit forms**, **view history**, and **print preview**. The **Part B and Annexes** section is partially visible.

A modal window titled **Edit Proposals' Forms** is open, displaying the following instructions:

- You may return to this step from the "My Proposals" section of the Participant Portal.
- Submit your proposal as early in the process as possible - you can update and resubmit an improved version many times before the call closure
- Submitting a proposal will overwrite any previous versions of this same proposal - this process is irreversible
- Any changes made here to the proposal will not be available to the European Commission/service in charge unless resubmitted before the call closure.

At the bottom of the interface, there are navigation buttons: **<< Step 4 - Parties**, **validate**, and **submit**. The footer contains the text: **Version: 20140122-1403 - Service Desk: DIGIT-EFP7-SEP-SUPPORT@ec.europa.eu (+32 (2) 29 92222)**

Click the  button in the **Administrative Forms** section to read the help instructions for editing the administrative forms of the proposal, as shown on the visual example below:

The screenshot displays the 'Edit Proposal' interface. At the top, a progress bar shows steps: LOGIN, FUNDING SCHEME, CREATE DRAFT, PARTIES, EDIT PROPOSAL, and SUBMIT. The current step is 'Step 5 Edit Proposal'. A red warning box states: 'WARNING: This proposal contains changes that have not yet been submitted...'. Below this, the 'Administrative Forms' section is visible, with a note: 'Edit will open the forms in Adobe Reader. '. A modal window titled 'Administrative Forms' is open, containing the following instructions:

- As coordinator you have the rights to edit all sections of the administrative form, participants can only update their relevant sections - including the budget form.
- Note that participants and other coordinator contacts may also update the form while you are editing it, with the last-saved having priority
- Always re-check the content for correctness prior to submission
- Data which is pre-populated in the administrative forms from the Beneficiary Registry is read-only and cannot be changed. If you consider that a change is necessary then please follow the existing procedure to request an update via Participant Portal.
- The forms will open in Adobe Acrobat - the configuration panel on the lower left of the screen indicates your system's readiness for this
- If you have a browser/OS combination which offers an Adobe Acrobat browser plug-in, then the forms will open within this browser session
- If your browser/OS does not support a plug-in then the forms will open in a separate Adobe Acrobat window
- Please click the "help page" in the Configuration widget on the left for more information and help
- Extra guidance can be found inside the form as 'ghost text' in the data fields, guidance text when you position the mouse on the data item and expandable help text denoted by a '?' box.

At the bottom of the modal, there are navigation buttons: '<< Step 4 - Parties', 'validate', and 'submit'. The footer of the page includes 'done', 'Version: 20140122-1403 - Service Desk: DIGIT-EFP7-SEP-SUPPORT@ec.europa.eu (+32 (2) 29 92222)'

Click **edit forms** to open the form for editing.

Please see the *Compatibility and Troubleshooting* section at the end of this document for in depth information on your browser displaying the form in the open browser window or downloading it in your downloads file. If it is downloaded, you can work on the downloaded file offline. **THE DOWNLOADED FORM HAS A TIME STAMP FROM THE COMMISSION'S SERVERS AND IT EXPIRES 13 HOURS AFTER IT IS DOWNLOADED .IF YOU DO NOT COMPLETE, SAVE AND CLOSE THE FORM WITHIN 13 HOURS, YOU MUST DELETE THE OLD FORM, RETURN TO THE WIZARD AND DOWNLOAD A NEW COPY OF THE FORM.** The images below display the form inside the browser window. Whether displayed in a browser window or downloaded to work offline, the functionality of all buttons, fields, and the entire process are exactly the same.

The form may not auto-fit in the size of your currently open window, as shown on the visual example above.

Forms

Please fill out the following form. You cannot save data typed into this form.
Please print your completed form if you would like a copy for your records.

European Commission - Research - Participants
Proposal Submission Forms
Directorate-General for Research and Innovation

Validate Form

Horizon 2020
Call: H2020-EUJ-2014
Topic: EUJ-1-2014
Type of action: RIA
Proposal number: SEP-210140911
Proposal acronym: RSW

Table of contents

Section	Title
1	General information
2	Participants & contacts

You may need to adjust your window size, or the form size, or both: When adjusting the window size, you will notice that the form has been opened on top of the Submission Wizard.

Use the zooming (+/-) buttons to zoom the form window size in or out.

Alternatively, you can specify the percentage ratio in the % drop-down list: either select a pre-defined percentage from the drop-down list (i.e. 150%) or type in the desired number directly in the field.

Proposal number: SEP-210140911

Proposal acronym: RSW

Table of contents

Section	Title	Action
1	General information	Show
2	Participants & contacts	Show
3	Budget	Show

Use the zooming (+/-) buttons to zoom the form in or out.

Alternatively, you can specify the percentage ratio in the % drop-down list: either select a pre-defined percentage from the drop-down list (i.e. 150%) or type in the desired number directly in the field.

You can also move the mouse cursor to the top of the form and move the form into place as needed.

What You Need to Know about Completing the Form

Who Can Fill In the Form?

The Main Contact (or the top-level role for calls with specific contact roles – see Appendix C at the end of this document) is the only person that can complete the form, including the budget table and all other administrative details. Partners can preview the form and edit their contact detail information.

Click the  button to access the forms.

Read-only Fields

The list of participants and contact persons, the Participant Identification Code (PIC) and the respective summary data of the participants (shown in blue in the form) are read-only fields. To modify the list of participants or contact persons, please go back to Step 4. To modify the legal data of the organisation, please read more about it in this [Data Update](#) section.

Guidance in the Form

If you click on the question marks in blue, you can read more information about the question or section.

Each box of the form contains a short text guiding you on the format, the length and the expected level of information. That text appears when you bring your cursor over the top of the box. Once you click on the text or start editing the information, it disappears automatically.

Navigation in the Form

To view the different sections in the form, you may either use the scroll bar or click on the blue "Show" buttons as seen in the Table of contents.

Validation

The form has built in checks and gives error or warning messages in case fields are not completed. Please click on the  button to check your data. Errors and warnings will be listed at the end of the form. Error fields will be highlighted in yellow, whereas fields with warnings will be highlighted in red. Errors mean that mandatory information is missing (such as the Proposal Title) and the proposal cannot be submitted until these errors are resolved. Warning messages do not block submission, but they indicate missing information that may be important for the proposal and, ideally, these warning messages ought to also be addressed and the information fields ought to be corrected. By clicking on the "Show" button, you can easily get back to the respective fields to correct them.

Saving of the Data

Before closing the form, click on the  button. The save and close function does not validate the information on the form, so it works even if the form is not completely filled in. This will take you back to Step 5, where you can upload the Technical Annex and any additional documents.

You may return to edit the form as many times as you wish prior to call closure. Any changes saved on the form need to be resubmitted in order to be received by the European Commission and considered for evaluation.

Technical Requirements

The configuration check tool, located on the bottom left-hand side of the submission system, automatically verifies if your system configuration complies with the [minimum requirements](#).

Action Buttons within the Form

Two action buttons in the PDF form help you find and verify the information easily.

Button

Description

Validate Form

When you click this button, all data fields in the forms will be validated against a set of rules.

The system assesses if the available data is valid, checks the data formats, performs computations, and checks interlinked data for consistency.

Any issues found in the form are reported at the end of the PDF form.

Save And Close

Click to save the completed administrative form and close it for editing.

You can save your form data even if the form is not completely filled in - you can edit it at any moment prior to the deadline. Save and Close does not validate the data.

4.2. EDITING AND COMPLETING THE FORM

To start completing the form, scroll down or click on the blue **Show** button to navigate to the respective section of your form. This is primarily an administrative form that requires general information, administrative data of participating organizations, budget information by partner, and also Call-specific information.

Submission of Proposals - Mozilla Firefox

Validation result

There are no validation errors.

When all issues are fixed, click the **Save And Close** button. Your form has now been saved on the Commission servers, but it is not yet considered as submitted. Your proposal submission takes place next.

4.4. PART B - DOWNLOADING AND COMPLETING THE ANNEX FORMS

Click on [download templates](#) to download the latest proposal requirements template in a readily editable RTF file.

The screenshot shows the 'Edit Proposal' interface. At the top, a navigation bar includes 'LOGIN', 'FUNDING SCHEME', 'CREATE DRAFT', 'PARTIES', 'EDIT PROPOSAL', and 'SUBMIT'. The main content area is titled 'Step 5 Edit Proposal' and features a sidebar on the left with details for 'H2020-EUJ-2014', including a calendar icon, 'EUJ-2-2014', 'RIA', a date of 'April 2014 17:00:00 Brussels Local Time', and '44 days left until closure'. Below this is a table with columns 'Acronym', 'ID', 'PIC', and 'Contact', and a 'Configuration OK' status with a green checkmark. A notification at the bottom left states 'You're using Firefox 17 on Windows. Adobe Reader (version 11,0,5,3) is installed.' The main content area is titled 'Edit Proposals' Forms' and contains a warning message: 'WARNING: This proposal contains changes that have not yet been submitted...'. Below the warning, the 'Administrative Forms' section includes the text 'Edit will open the forms in Adobe Reader.' and buttons for 'edit forms', 'view history', and 'print preview'. The 'Part B and Annexes' section contains the text 'In this section you may upload the technical annex of the proposal (in PDF format only) and any other requested attachments.' and a 'download templates' button highlighted with a green box. Below this are three 'Technical Annex Section' entries: '1-3', '4-5', and 'Optional annex 3: Ethics - Supporting Document(s)', each with an 'upload' button and a red 'X' icon.

The template describes the information that must be included in your application and how to structure that information. You will need to complete this package as thoroughly as possible. You may want to also check with [Enterprise Europe Network](#) and your [National Contacts Point](#) for Assistance (see the *Support* menu of the Participant Portal). It is important that you remain within the file size and page limits that a proposal may have. Once you have completed your proposal based on the downloaded template, you must convert it into a PDF file, which you will then upload as an Annex form of the proposal. This is referred to as Part B of your proposal.

4.5. UPLOADING THE ANNEX FORMS

When you complete the annex forms, you must prepare them for uploading.

A number of limitations and requirements are in place for each of the forms, depending on the call – such as, page size and page limit, document size limit, minimum font size, PDF format conversion issues, etc.

Make sure that you first familiarize yourself with all the specific annex form limitations and requirements in the documentation available in the respective call's information package on the Participant Portal.

The breach of certain limitations, such document size limits, could result in failure of the upload – as a result you may need to amend the documents and upload them again. In the case of exceeding the page number limit, you will be still able to upload the document but all of the excess pages will contain a watermark.

Your proposal will be considered ineligible if any of the forms limitations and requirements are not met.

The following visual example shows a sample Part B form template with detailed instructions on the front page, including limitations for the page limit, font size, and margins:

In the process of completing your annex forms, and prior to uploading them, make sure that your documents comply with the above-mentioned requirements and recommendations, as generally outlined below.

1. PDF conversion issues and checks.

- Before you start the conversion to PDF, **clean up** your document - accept all tracked changes, delete internal review notes or comments, check for any formatting issues, and so on. The document to be converted to PDF must **only** contain the final, "clean" content.
- Check that your PDF conversion software has successfully converted **all the pages** of your original document (e.g. check for any problems with page limits, tables, graphics or footnotes).
- Check that your PDF conversion software has not cut down pages with **landscape** orientation to fit them into **portrait** orientation format.
- Check that **captions** and **labels** have not been lost from your diagrams.
- **Embed all fonts** in the PDF file (math symbols, non-Latin alphabet text, etc.).

2. Limitations in document page number, font size, and page margins. Each form template, depending on the specific call, may impose certain limitations in the document formatting with regard to the maximum number of pages in the document, the minimum/maximum font size allowed, and/or the minimum margins you must allow for in the page layout.

Always make sure to check and apply the guidance for the specific call, available on the Participant Portal, as well as the instructions at the beginning of the annex form templates for each specific call.

If you attempt to upload an annex form that contains more pages than the specified limit, you will **not** get an error message during the upload process. However, when you attempt to **Validate** the uploaded document, the system will display a warning message, advising you to shorten and re-upload the proposal in order to allow for it to be qualified as eligible - as shown in the visual example below:

In addition, if before the deadline the number of pages in one of the uploaded documents still exceeds the allowed limit, you will receive an automatic Eligibility Warning advising you to shorten and re-upload the proposal, as shown in the visual example below:

Eligibility warnings

1 Your proposal was submitted with the following eligibility warnings:

Eligibility warnings

- The file sep_usermanual_V3.2.2.pdf (Technical Annex Section 1-3) contains 37 pages, the guide for applicants states that the document should contain no more than 15 pages

If you believe that your proposal is eligible even with these warnings, then you may enter an explanation below - this will be passed to the eligibility committee.

1000 characters left

OK

After the deadline, any excess pages will be overprinted with a 'watermark', indicating to evaluators that these pages must be disregarded, as shown in the visual example below:

Excess page. Please disregard

The fourth step: managing other participants to the proposal

At this step the proposal coordinator will set up the consortium. The proposal coordinator can:

- Add other participants to the proposal.** A search function is offered as in step 3, in order to insert the participant code in the administrative forms and copy the most up to date information for you. This information will be completed with contact details – multiple contacts can be added. Other participants will be invited to access to the proposal (the contact person will receive an email with a link to access the system and update the participating organisation information)
- Delete a participant.** This action is applicable to all participants except the first one. When a participant is deleted, the associated information (additional forms and budget figures) is automatically discarded. This action is immediate and can not be undone.
- Reorder the participants.** The order of the participants in the administrative forms can be changed. This action is possible only with forms with multiple partners. Drag the participant to its final position and stop it at the new position with the mouse.

The proposal coordinator however cannot be deleted, and is always the first participant. The proposal in preparation cannot be deleted from this point. Only submitted proposals can be deleted.

For Marie Curie calls – People specific programmes

Participants to Marie Curie calls may make up to three references. A reference is a physical person that will inform the European Commission on the good standing of the proposal. However, the referee is not requested to contribute to the proposal itself, nor is he requested to comment the proposal.

Whenever the referee has submitted an opinion on the proposal, the system will inform the participant of the action. The content of the assessment remain private to the Commission services, the Research directorate general, and will be used as part of the evaluation process.

For other calls

For other calls, organisations can be deleted and their order in the proposal changed. Each organisation can have one or more coordinators. Only one can be declared as part of the proposal building. Note that the European Commission allows only one contact point per organisation. The additional contact points are offered as convenience in order to guarantee continuity of proposal building should a person be absent. Such a facility is needed as the proposal system is linked to a person and no longer to a proposal.

The submission system will inform you about the consortium eligibility rules applied for each call. Most funding schemes require proposals from a number of participants (usually at least three) who agree to work together in a consortium.

For two stage calls, first stage: simplified submission

In the case two stage calls, i.e., calls for which a simplified proposal is initially requested, followed by the submission of a full proposal for the retained participants, only the coordinating organisation details are needed at first stage. It is thus usual to prevent adding partners to the consortium, even if the consortium details must be disclosed in the proposal text. Refer to the call file for details. The **NO COORDINATING** button will **not** be shown. Adding partners will be available to participants invited to the second stage of the two stage calls.

3. **Document file size.** The allowed file size of annex forms may be limited too. Check the guidance documentation available in the call's information package on the Participant Portal.

When the document file size exceeds the allowed limit, the system will display an error message immediately during uploading, as shown in the visual example below:

4. **Graphical resolution.** Use a **maximum resolution of 300 dpi** for all graphics and text (photocopy quality). This can dramatically reduce the PDF file size.
5. **Printer-friendliness.**
- Proposals will be printed out in black-and-white colour on plain A4 paper. If you have used other colours in your annex forms, make sure that they are correctly interpreted and visible as nuances of grey in the output PDF file.
 - Ensure that printing is done at 300 dots per inch and that no scaling is applied to make the page "fit" the window. Print a test copy of your PDF files before uploading them.
6. **Document file name and security.**
- Ensure that the annex forms file names contain alphanumerical characters only (A-Z, 0-9).
 - Do not protect the files to upload with a password.
7. **Post-upload verification.** Once you upload your files, check their quality - download them to check whether the file transfer was successful and if the file is complete. If not, make the necessary corrections and upload again.

Note: Make sure that the files you upload can be opened and printed without any problems! If the Commission encounters a problem when opening or printing a file you have uploaded as part of a proposal, the complete proposal will be considered ineligible.

Once the downloaded templates have been completed and are ready to upload:

1. Click the **upload** button for the respective document in Step 5 of the Submission Wizard.

Step 5
Edit Proposal

H2020-EUJ-2014

LOGIN FUNDING SCHEME CREATE DRAFT **PARTIES** EDIT PROPOSAL SUBMIT

Edit Proposals' Forms

In this step you can edit the administrative forms and upload the proposal itself. ?

WARNING: This proposal contains changes that have not yet been submitted...

Administrative Forms

Edit will open the forms in Adobe Reader. ?

edit forms view history print preview

Part B and Annexes

In this section you may upload the technical annex of the proposal (in PDF format only) and any other requested attachments. ?

download templates

Technical Annex Section 1-3	upload	✕ ?
Technical Annex Section 4-5	upload	✕ ?
Optional annex 3: Ethics - Supporting Document(s)	upload	?

Configuration OK ✓

You're using Firefox 17 on Windows. Adobe Reader (version 11.0.5.3) is installed.

For more information, please consult the User Guide.

2. Select the file to upload from the **File Upload** window. If your file has blank spaces in its name, the system will upload it filing the blank spaces with "_".

3. Click **Open**. A confirmation message will appear:

Note: If the file uploaded is not in a valid PDF format, the system will show an error message instead of a confirmation.

4. Click **Close**. The uploaded file will be shown in the list and a green check mark  will appear next to it, as shown in the visual example below:

The screenshot displays the 'Edit Proposal' interface. At the top, a progress bar shows the current step is 'EDIT PROPOSAL'. The main content area is titled 'Edit Proposals' Forms' and includes a warning message: 'WARNING: This proposal contains changes that have not yet been submitted...'. Below this, there are sections for 'Administrative Forms' and 'Part B and Annexes'. The 'Part B and Annexes' section contains a list of uploaded files, including '8_Part_B_Template_..._section_1-3_-_EDITED.pdf' and '8_Part_B_Template_...nks_CLEAN_section_4-5.pdf'. Each file has an 'upload' button, a 'delete' button, and a green check mark icon. A 'download templates' button is also present. The interface includes a sidebar with navigation options like 'LOGIN', 'FUNDING SCHEME', 'CREATE DRAFT', 'PARTIES', 'EDIT PROPOSAL', and 'SUBMIT'. The sidebar also shows the current proposal details, including the acronym 'Creative1' and a configuration status 'Configuration OK' with a green check mark. At the bottom, there are navigation buttons for '<< Step 4 - Parties', 'validate', and 'submit'.

5. Optionally, when needed, you can **delete** an uploaded file and upload a new one in its place.

4.6. VALIDATE AND SUBMIT YOUR APPLICATION

You must click the [validate](#) button to make sure that your application meets the requirements. The system will check and advise you of any issues with all the forms, and whether your application meets the requirements of Partners, file sizes, number of pages, etc. Any errors will be displayed as indicated below:

The screenshot shows a web application interface for proposal submission. At the top, a progress bar includes steps: LOGIN, FUNDING SCHEME, CREATE DRAFT, PARTIES, EDIT PROPOSAL, and SUBMIT. The current step is 'Step 5 Edit Proposal'. A modal window titled 'Validations' is open, displaying the following content:

Validations

✘ Your proposal cannot be submitted until the errors below are corrected:

Part A Form

- Declaration [view errors \(1\)](#)

Part B and annexes

- Mandatory Technical Annex Section 1-3 is missing
- Mandatory Technical Annex Section 4-5 is missing

⚠ The following warnings will not block submission of your proposal, but may affect its eligibility during evaluation:

Eligibility warnings

- Call requires at least 3 participant(s) from different EU member states or associated countries, currently you have 2.

Part A Form

- Declaration [view warnings \(5\)](#)
- Ethics [view warnings \(1\)](#)
- General Information [view warnings \(2\)](#)
- Participants and contacts [view warnings \(18\)](#)

[Close](#)

The background interface shows a sidebar with 'Step 5 Edit Proposal', 'H2020-EUJ-', a calendar for 'THU 10 April 2014 17:00 Brussels Local', '43 days left until...', and a 'Configuration OK' section. At the bottom, there is a footer with 'Version: 20140122-1403 - Service Desk: DIGIT-EFP7-SEP-SUPPORT@ec.europa.eu (+32 (2) 29 92222)' and buttons for 'validate' and 'submit'.

You can click on the errors and warnings to view their detail, as indicated below.

The screenshot displays a web interface for proposal submission. At the top, a red error message states: "Your proposal cannot be submitted until the errors below are corrected:". Below this, the interface is divided into sections for "Part A Form" and "Part B and annexes".

Part A Form:

- Declaration: A link "view errors (1)" is highlighted with a green box, pointing to the error "Declaration acceptance is mandatory".

Part B and annexes:

- Mandatory Technical Annex Section 1-3 is missing
- Mandatory Technical Annex Section 4-5 is missing

Warnings:

A yellow warning icon indicates: "The following warnings will not block submission of your proposal, but may affect its eligibility during evaluation:". Under "Eligibility warnings", a bullet point states: "Call requires at least 3 participant(s) from different EU member states or associated countries, currently you have 2.".

Part A Form (Warnings):

- Declaration: A link "view warnings (5)" is highlighted with a green box, pointing to five instances of "Declaration acceptance missing".
- Ethics: A link "view warnings (1)" is highlighted with a green box, pointing to "Declaration - missing entry".
- General Information: A link "view warnings (2)" is highlighted with a green box, pointing to "Duration - missing entry" and "Similar Proposal submitted - missing entry".
- Participants and contacts: A link "view warnings (18)" is highlighted with a green box, pointing to a list of 18 missing entries including Department Name, Street, Town, Postal Code, Country, Main Contact Position, Main Contact Street, Main Contact City, Main Contact Sex, and Main Contact Department Name.

At the bottom right, there are "validate" and "submit" buttons. A "Close" button is located at the bottom center of the error/warning list.

Each error detail line is a link to the respective section of the form. Clicking on the link, opens the form on top of the errors and warnings page, so you can correct it. Once done, close the form and you will be back to the errors and warnings page.

When all errors and warnings are corrected, click the **validate** button again to make sure you have not missed anything. Once you get the No Errors validation screen, click on **submit**. Your proposal has now been submitted and the system displays a message indicating that the proposal has been received.

The Submitted status will also be shown on the **My proposals** page of the Participant Portal. The system also sends a submission confirmation e-mail to the Proposal Coordinator, containing the details of the submitted proposal. Note that the e-mail could end up in the spam folder or get blocked by the anti-spam system of your organisations, so make sure that you check for it as needed.

The point at which the submission takes effect is the moment when the Proposal Coordinator clicks **submit** without any errors found, and sees the message indicating that the proposal has been received. It is not the point at which the upload of the Annex documents is started. Therefore, if you wait until too near to the close of the call to start uploading your proposal, there is a serious risk that you will not be able to submit it on time.

You can upload your Annex documents or submit your proposal as many times as you wish prior to the call deadline, but it is strongly advised not to wait until the final moment to perform these operations. Each time you upload a new Annex document, you **must** click **submit**, if you want to save your changes.

USER ACTION #5: The 'Proposal Submitted' Page

Reaching Step 5 means that your proposal has been successfully submitted and therefore sent to the European Commission services for evaluation.

In Step 5 you can perform the following actions, as indicated on the visual example below:

Revise (Re-edit) the Proposal

Click the  button to go back to Step 5 if you need to revise the proposal. The Proposal Coordinator may continue to modify the proposal and submit revised versions overwriting each preceding one right up until the deadline.

Note: You will not be able to access this option if you attempt to revise a proposal, which was submitted for a **continuously open call**.

Download Submitted Proposal Package

After you submit the proposal, it is advised to download it in order to check that it has been correctly sent. The downloaded proposal will be digitally signed by the Commission's servers and time-stamped. Depending on the system load, this action may take some time before it is accessible. Click the  button to download the proposal.

Note: Sometimes, after you download the submitted proposal, you may see the following message: "the signature is not guilty." – this means that the signature is not valid Please consult the Troubleshooting Document Signature section further in this document for more details.

Withdraw Submitted Proposal

If the proposal is withdrawn, it will not be considered for evaluation. However, the system will keep the proposal draft and the withdraw action may be reversed by re-submitting the proposal before the deadline. The system will request a reason for the withdrawal.

When a proposal is withdrawn, a message is displayed on the screen, as shown in the visual example below. The system also sends a submission confirmation e-mail to the Proposal Coordinator, containing the details of the withdrawn proposal. Note that the e-mail could end up in the spam folder or get blocked by the anti-spam system of your organisations, so make sure that you check for it as needed.

Note: You will not be able to access this option if you attempt to withdraw a proposal, which was submitted for a **continuously open call**.

To complete this action, click the  button.

PARTNER ACTIONS

As discussed above, a partner must have access to the ECAS and a PIC, in order to be added as a Partner.

When the Proposal Coordinator clicks  in Step 4, the system sends an automatic email to all the Partner contacts with the proposal related links..

Once the Partners enter the electronic submission system, it will display Step 5 of the submission process where the  button enables them to access the electronic administrative forms and the rest of the proposal package as their participation requires.

To access the consortium contact details, they will need to click the  button – the system will show Step 4 of the submission process.

Completing the forms

When the PDF form is opened, the partner will have to verify or fill in their administrative forms.

When they finish, they must make sure that no validation errors are left unaddressed. To check for validation errors, they will need to use the **VALIDATE FORMS** button located at the bottom of the page.

CHAPTER 3: REFERENCE GUIDE TO ROLES, SCREENS & ACCESS TO USER ACTIONS

Roles, Proposal Coordinator, Partner, Contact Person

The roles that are available in the system are the Proposal Coordinator, Partners, and Contact Persons (optionally). The Proposal Coordinator and each of the Partners have a Main Contact and can optionally have one or more additional Contact Persons. Depending on the proposal you participate in, you might act on behalf of one or more of these roles and your current role will determine the actions you will be enabled to perform and the information you will be required to provide.

- **Proposal Coordinator.** The Proposal Coordinator acts as the single point of contact between the participants and the Commission for the respective proposal. The Proposal Coordinator is generally responsible for the overall planning of the proposal; for building up the consortium that will do the work, and (s)he is always the first participant. Note that for some calls, only one participant is needed and the participant will be the Proposal Coordinator of the given proposal by default.
- **Partner.** If you are a Partner to a proposal, you will be invited by the Proposal Coordinator to fill the administrative forms that contain the contact and address details. Most of the fields will be pre-filled with data already supplied by the Commission systems in order to save time and to ensure better data quality.
- **Contact Person.** As an option, you as a Proposal Coordinator or as a Partner may decide to delegate some of the work on filling in or reviewing your parts of the proposal submission forms to one or more additional Contact Persons. You can grant each Contact Person full access rights or read-only access to the forms data. A Contact Person will only be entitled to edit/view the parts of the proposal that his/her organisation is responsible for.
Note: A Contact Person with full access rights cannot change their own access rights level to 'read-only' – this can only be done by the Proposal Coordinator or another user with full access rights.
- **Calls with Specific Contact Roles.** Most calls use the standard **Main contact** and **Contact person** roles for the Proposal Coordinator organisation. However, some calls (e.g. *ERC-2014* and *H2020-MSCA-IF-2014*) may require more specific roles, such as **Principal Investigator, Main Host Institution Contact, Researcher, Supervisor, Applicant**, and so on. Calls of this type are pre-configured accordingly so that the proposal submission forms for them contain special sections to address the specific roles and the respective data as needed. Likewise, the Proposal Submission Wizard for these calls will display the respective role options, as configured for each call. For more information about calls with special roles, see *Appendix C: Calls with Specific Contact Roles* at the end of this document.

Changing Main Contact Information

Only one **Main Contact** is allowed for each organisation. However, sometimes for business reasons you might need to change the **Main Contact** person details after the initial **Main Contact** assignment. For example, you can edit the **Main Contact** details of the existing person, or you can assign an existing **Contact Person** as the **Main Contact** replacing the original one, or you can first delete **the Main Contact** and then add a new one, etc.

When the information about the existing **Main Contact** changes (or when you delete it), the system will display a confirmation prompt warning you that you would lose the previous **Main Contact** data. If you change an existing **Contact Person** as a **Main Contact**, or if you add a new contact person in the Main Contact role, the previous **Main Contact** will automatically become a **Contact Person** – the two roles will swap.

In addition, all changes in the **Main Contact** details will be automatically reflected in the Administrative Form as needed.

Role Rights

The following table highlights the differences between a Proposal Coordinator and Partner actions:

Action	Proposal Coordinator	Partner
Select the call	Yes	No
Add, Invite Participants	Yes	No
Submit the proposal	Yes	No
Read complete proposal	Yes	Yes
Define the budget tables	Yes	No
Create Contacts for a Partner	Yes	No

The Timeline around the Deadline

Proposals can be submitted multiple times before the call deadline specified in the information package of the call, available from the Participant Portal. Calls deadlines are fixed and are strictly enforced. Only the last submitted version will be evaluated, where each newly submitted version overwrites the preceding one. After the call deadline, the proposal can no longer be modified and no further participants can be invited. Practise the proposal submission procedure well before the deadline to ensure a risk-free submission of your proposal and proper correction of warnings.

After the deadline, the proposal remains available in read-only mode and can be accessed by the coordinator and the proposal participants invited before the deadline.

The Online Submission Wizard: Screens and Access to User Actions

The electronic submission system screen is organised as follows:

- A progress bar banner showing the proposal completion progress.
- Buttons for the available Actions.
- The ID card of your proposal – shown on the left-hand side of the screen. The information displayed there is completed as the user progresses. You can click on the Acronym, ID, PIC, and Contact tabs.
- Configuration status check tool – it is displayed in the bottom left part of the screen. In the visual example below, the configuration complies with the minimum requirements.
- Navigation buttons available in the bottom right corner of the screen.

The screenshot shows the 'Step 5 Edit Proposal' interface. At the top, a progress bar indicates the current step. The main content area is divided into several sections:

- Administrative Forms:** Contains a warning message, a description of the forms, and three action buttons: 'edit forms', 'view history', and 'print preview'.
- Part B and Annexes:** Contains a description of the section and a 'download templates' button.
- Technical Annex Sections:** Lists two sections (1-3 and 4-5) with 'upload' buttons and status icons.
- Configuration OK:** A status check tool indicating that Adobe Reader is installed.
- Proposal Information Panel:** A sidebar containing proposal details such as ID, PIC, contact, and closure date.
- Navigation Buttons:** Located at the bottom right, including '<< Step 4 - Parties', 'validate', and 'submit'.

Callouts in the image identify the following elements:

- progress bar
- action buttons
- Proposal information panel
- proposal ID card
- configuration status check tool
- navigation buttons

The most important pages of the online submission wizard are briefly described below.

Wizard Step 3: CREATE DRAFT

The visual example below shows the CREATE DRAFT screen of the Wizard:

The screenshot shows the 'CREATE DRAFT' step of a wizard. The top navigation bar includes 'LOGIN', 'FUNDING SCHEME', 'CREATE DRAFT', 'PARTIES', 'EDIT PROPOSAL', and 'SUBMIT'. The main heading is 'Step 3 Create a Draft Proposal'. On the left, there is a sidebar with 'H2020-EUJ-2014', a user profile, 'EUJ-1-2014', 'RIA', a calendar for 'April 2014', and '44 days left until closure'. Below this is a 'Configuration OK' section with a green checkmark and a note about Adobe Reader. The main content area is titled 'Create a Draft Proposal' and contains three sections: 'Your organisation', 'Your Role', and 'Your Proposal'. The 'Your organisation' section has input fields for 'PIC*' and 'Short name*', a search button, and a list of previously associated organisations. The 'Your Role' section has radio buttons for 'Main contact' and 'Contact person'. The 'Your Proposal' section has input fields for 'Acronym*' and 'Short Summary (max. 2000 characters)*'. A 'next >>' button is at the bottom right. Green callouts provide instructions: 'Enter your organisation Search criteria' points to the PIC and Short name fields; 'Select a previously associated organisation' points to a list item; 'Click to start the organisation Search procedure' points to the search button; 'Enter proposal acronym' points to the Acronym field; 'Enter proposal short summary' points to the Short Summary field; 'Navigation button' points to the next button; and 'Select your role - Main contact or Contact person' points to the radio buttons.

Wizard Step 4: PARTIES

The visual example below shows the PARTIES screen of the Wizard:

The screenshot shows the 'PARTIES' step of a wizard. At the top, a progress bar includes 'LOGIN', 'FUNDING SCHEME', 'CREATE DRAFT', 'PARTIES' (current step), 'EDIT PROPOSAL', and 'SUBMIT'. The main heading is 'Step 4 Manage Your Related Parties'. On the left, a sidebar for 'NCP_IA' shows details like 'ICT-02-2014', 'IA', 'WED 23 April 2014 17:00:00 Brussels Local Time', and '65 days left until closure'. The main area is titled 'Parties' and contains instructions: 'In this step you as coordinator should manage and review the participants of your proposal. Only you as coordinator can edit the elements on this screen.' and a note: 'Note: Your changes will be applied only after you click the "Save changes" button'. It shows 'Number of participants: 1' and an 'Add Partner' button with a warning: 'Warning on the required number of participants'. A red banner indicates 'Consortium eligibility' with the message: 'Call requires at least 3 participant(s) from different EU member states or associated countries, currently you have 1.' Below this is a table of participants with columns for 'Coordinator' and 'Contact'. The 'Contact' row has icons for 'Add contact', 'Resend invitation to collaborate', 'Edit contact', and 'More info'. A 'next >>' button is at the bottom right. A 'Configuration OK' message is also present.

The Participant Portal: Screens and Access to User Actions

The [Research and Innovation Participant Portal](#) is your entry point to the electronic submission service. It enables you to access the following actions:

- Familiarize yourself with the overall research and innovation grant process by first consulting the [HOW TO PARTICIPATE](#) page on the Participant Portal.
- Decide on the funding opportunity that you want to apply for.
- Select your Partners – check Partner information in the [Beneficiary Register](#).
- Register as a user in ECAS.
- Register your organisation and your Partner organisations in the [Beneficiary Register](#).
- *Login* to the Participant Portal and *Select your Topic* to access the Online Submission Service.
- Use the *MY AREA* > [My Proposals](#) / [My Organisations](#) pages to access your draft and submitted Proposals.

Participant Portal: Before You Log In

In the Home page, you can log in (if you have an ECAS account) or register to ECAS. Before logging in, you can still familiarize yourself with the grant process and funding opportunities and you can check Partner information.

The screenshot shows the Participant Portal home page. At the top left is the European Commission logo. The main header reads "Participant Portal" with a breadcrumb trail: "European Commission > Research & Innovation > Participant Portal > Home". A navigation menu includes "HOME", "FUNDING OPPORTUNITIES", "HOW TO PARTICIPATE", "EXPERTS", and "SUPPORT". On the right, there are "LOGIN" and "REGISTER" buttons. A large banner for "Horizon 2020 Funding" is visible, with the text "Starting from 1/1/2014". Below the banner, a section titled "On this site you can find and secure funding for research & innovation projects under the following EU programmes:" lists two programmes: "2014-2020 Horizon 2020 - research and innovation framework programme" and "2007-2013 7th research framework programme (FP7) and Competitiveness & Innovation Programme (CIP)". There are two columns of user actions: "Non-registered users" (search for funding, read the H2020 Online Manual, check registration status, contact support) and "Registered users" (submit proposal, sign grant, manage project lifecycle). At the bottom, there are six icons representing different sections: "WHAT'S NEW?", "FUNDING OPPORTUNITIES", "HOW TO PARTICIPATE", "WORK AS AN EXPERT", "MY PERSONAL AREA", and "INFORMATION AND SUPPORT". The footer includes "HORIZON 2020", "RESEARCH ON EUROPA", "CORDIS", "OLAF", and "© European Communities".

Click **FUNDING OPPORTUNITIES** to open the page with Calls information.

Click **HOW TO PARTICIPATE** to open the page with information on the participation process and the **H2020 Online Manual**

Click **LOGIN** to log in to the Portal, or **REGISTER** to start the ECAS registration procedure.

Participant Portal: The ECAS Login Screen

When you click , you will be prompted to authenticate through the ECAS login screen, as shown in the visual example below. This screen appears in the same window and after login (or registration) you will be returned to the Home page of the Participant Portal.

The screenshot shows the ECAS login interface with several callout boxes providing instructions:

- Top right:** "Click this link to view help instructions" pointing to the [Help](#) button.
- Top middle:** "Click this link to retrieve your lost password" pointing to the [Lost your password?](#) link.
- Top right (second callout):** "Click this link to start a new registration" pointing to the [Not registered yet](#) link.
- Left side (top):** "ECAS domain: it must be External, as shown here. If it is not, click Change it to open the Domain selection screen" pointing to the [External](#) dropdown menu.
- Left side (middle):** "Enter here your **username/e-mail address** and authenticates **password** identity on European Commission websites" pointing to the input fields.
- Left side (bottom):** "Participants Portal requires you to authenticate" pointing to the [Login!](#) button.
- Right side (bottom):** "Click this link to retrieve your lost password" pointing to the [Lost your password?](#) link.

The interface includes the European Commission logo, the text "EUROPEAN COMMISSION AUTHENTICATION SERVICE (ECAS)", and the domain "External". The login form contains fields for "Username or e-mail address" and "Password", both marked as required. Below the form are links for "More options...", "Login!", and "Lost your password?". At the bottom, there is a section for "Or log in with your" and a "Token" option. The footer indicates "Last update: 07/01/2014 (3.6.2.1-hum) | 15 ms | [Top](#)".

Participant Portal: The ECAS Login Domain Selection Screen

After you log in, the Home page will show you your personalised MY AREA tab, where you can access your Organisations, Proposals, Projects, Notifications, and Experts.

Participant Portal: The HOW TO PARTICIPATE Page

This page is your main source of information in the stage of preparation for a proposal submission. It enables you the following:

- Register your and your Partners' organisations in the Beneficiary Register
- Read the H2020 Online Manual and a number of Reference Documents
- Perform a Financial Capacity Self-Check
- Check the conditions regarding SME Participation

The screenshot shows the 'Participant Portal' interface. At the top, there are navigation links: (A-Z) Sitemap, About this site, Contact, Legal Notice, and English. The main header includes the European Commission logo and 'RESEARCH & INNOVATION Participant Portal'. Below this is a breadcrumb trail: European Commission > Research & Innovation > Participant Portal > Funding. A navigation menu contains: HOME, FUNDING OPPORTUNITIES, HOW TO PARTICIPATE (selected), EXPERTS, and SUPPORT. On the right, there are LOGIN and REGISTER buttons. A left sidebar lists: H2020 Online Manual, Reference Documents, Beneficiary Register, Financial Capacity Self-Check, and SME Participation. The main content area is titled 'How to participate' and includes an 'H2020 ONLINE MANUAL' button. Below this is a 5-step process bar: 1. FIND a call, 2. FIND partners, 3. CREATE your account, 4. REGISTER your organisation, 5. SUBMIT a proposal. The first step is expanded to show detailed text and another 'H2020 ONLINE MANUAL' button. The text for Step 1 explains that the Commission publishes calls for H2020 and previous programmes (FP7 and CIP), and provides advice on how to search for suitable calls. It also mentions the National Contact Point and the Enterprise Europe Network. The text for Step 2 describes collaborative projects (requiring at least 3 organisations) and individual researcher or team opportunities (funded by ERC grants and MSCA actions). The text for Step 3 states that users need to create an account on the portal.

Click to access the **H2020 Online Manual** and/or the **Reference documents** list

Click to open the **H2020 Online Manual**

Click to open the **Beneficiary Register** page where you can register your organisation and your Partners' organisations

H2020 ONLINE MANUAL

H2020 ONLINE MANUAL

1 FIND a call **2 FIND partners** **3 CREATE your account** **4 REGISTER your organisation** **5 SUBMIT a proposal**

Step 1 - Find a suitable Call for Proposals **H2020 ONLINE MANUAL**

The Commission publishes on the Participant Portal all the Calls of its research and innovation programmes H2020, and you can search calls from previous programmes (FP7 and CIP). In addition you can find information about some additional calls in the [Other Funding Opportunities](#) section. If you apply for the first time and do not know yet the programmes, it is useful to read the H2020 Online Manual. It helps you choose the most suitable programme for your area and profile. Besides, you can [search according to your research topic](#) with key words and set filters in the calls list.

Your [National Contact Point](#) can also help you find the most suitable call for your profile. SMEs are in addition supported by the [Enterprise Europe Network](#).

Step 2 - Find project partners or apply as an individual **H2020 ONLINE MANUAL**

Collaborative projects: most of the EU funded projects are collaborative projects with **at least 3 organisations** from different EU Member States or Associated countries. Various [partner search services](#) help you to find organisations that would like to participate in the proposals. You can also post your collaboration offers there.

Individual researcher or team: It is also possible to submit your proposal as an individual researcher, team or organisation. Such opportunities are mainly funded under the H2020 **European Research Council (ERC)** grants and the **Marie Skłodowska-Curie actions (MSCA)**, and individual SMEs can apply to the **H2020 SME instrument**.

Step 3 - Create an account on the portal **H2020 ONLINE MANUAL**

To fill in the required forms and submit them electronically to the Commission, you first need to create an account on the

Participant Portal: The BENEFICIARY REGISTER Page After Login

The Beneficiary Register page is opened from the HOW TO PARTICIPATE page. It enables you to:

- **Search** through the registered organisations database and identify if your desired Partners' organisations are already registered in Participant Portal.
- **Start** (or **Resume**) the organisation registration process via the [Beneficiary Register](#).

Beneficiary Register H2020 ONLINE MANUAL

The Commission has an **online register of the beneficiaries** participating in the EU research and innovation or education, audiovisual and cultural programmes. This allows consistent handling of the beneficiaries' official data and avoids multiple requests for the same information.

If you want to participate in a project proposal, your organisation needs to be registered and have a **9-digit Participant Identification Code (PIC)** that is the unique identifier of your organisation and will be used as a reference by the Commission in any interactions.

Is your organisation already registered? Search PIC

As you have to register your organisation only once, please see first if it has already been registered.

SEARCH

If you did not find your organisation in the register, you can start its registration below.

Register your organisation

Please note that you need to have a valid ECAS account to start registering your organisation or update its data. Login in the Portal or [create your account](#), if you are a new user.

Please keep the legal data of your organisation at hand. You may check the information that will be necessary for the registration in the [user manual](#). To start registration, click on the button below.

REGISTER ORGANISATION

You can quit the registration process at any time; the data entered can be saved as a draft and you may **continue your registration** at a later time. Save the already entered data by clicking on the **Save draft** button at the bottom of the registration tool before you quit it.

After providing all the necessary details, click on the **Confirm** button to submit your registration. You will receive a **PIC number** that should be used in any interactions with the Commission in the future.

If you did not finalise the registration, you can **continue** it later on [My Organisations](#) of the My Area section. Incomplete, draft registrations are automatically deleted after one year.

You can modify **your organisation data** also on the [My Organisations](#) page of the **My Area** section.

Once your data has been validated by the Validation Service team, only the [Legal Entity Appointed Representative \(LEAR\)](#) (or the persons with an "Account Administrative" role for this organisation) will be able to request the modification of the data and provide the corresponding supporting documents on the [My Organisations](#) page of the Participant Portal.

HORIZON 2020 RESEARCH ON EUROPA CORDIS OLAF

Click to initiate the organisation registration process – this action will open in a new window the Registration Wizard in the Beneficiary Register.

Click to organisation Search page and check if your organisation and/or your Partners' organisations are already registered.

Participant Portal: The FUNDING OPPORTUNITIES Page

The Funding Opportunities page is your access point for searching and selecting Calls for your proposals.

The screenshot shows the 'Funding Opportunities' page of the European Commission Participant Portal. The page is titled 'RESEARCH & INNOVATION Participant Portal' and includes a navigation menu with options like 'MY AREA', 'HOME', 'FUNDING OPPORTUNITIES', 'HOW TO PARTICIPATE', 'EXPERTS', and 'SUPPORT'. A user profile for 'IVAN TERZIEV' is visible in the top right.

On the left side, there is a sidebar with links to 'My Organisation(s)', 'My Proposal(s)', 'My Project(s)', 'My Notification(s)', and 'My Expert Area'. Below this, there are four main sections for searching funding opportunities:

- Horizon 2020:** Includes links for 'Calls', 'Search Topics', and 'Call Updates'. A callout box points to these links, stating: "Click these links to search H2020 Calls / Topics or to check H2020 Call Updates."
- Other EU Programmes 2014-2020:** Includes links for 'Research Fund for Coal & Steel', 'COSME', '3rd Health Programme', and 'Consumer Programme'. A callout box points to these links, stating: "Horizon 2020 is the new EU funding programme for research and innovation from 2014 to 2020 with simplified rules and submission and grant management tools should facilitate participants' tasks. For practical guidance, see the H2020 online manual. Click these links to search for proposals for other EU research and innovation programmes!"
- FP7 & CIP Programmes 2007-2013:** Includes links for 'Calls' and 'Call Updates'. A callout box points to these links, stating: "Click these links to search FP7 & CIP Calls or to check FP7 & CIP Call Updates."
- Other Funding Opportunities:** A callout box points to this link, stating: "Click this link to check additional funding opportunities."

The main content area features a 'Funding Opportunities' section with a 'H2020 ONLINE MANUAL' link. Below this, there are sections for 'COSME', '3rd HEALTH PROGRAMME', 'CONSUMER PROGRAMME', and 'Other Funding Opportunities'. Each section provides a brief description of the programme and its objectives. For example, the '3rd HEALTH PROGRAMME' section states: "The Third Health Programme will run from 2014 to 2020, with a planned budget of 449 million EUR. It will support actions that complement, support and add value to the policies of the Member States to improve the health of EU citizens and reduce health inequalities by promoting health, encouraging innovation in health, increasing the sustainability of health systems and protecting Union citizens from serious cross-border health threats."

At the bottom of the page, there is a section for 'FP7 and CIP - previous programmes'.

Participant Portal: The CALLS Search & Selection Page

The CALLS search & selection page for the selected Programme contains a filtering/search panel at the top of the page and under it a result list of Calls (depending on your filtering criteria) in the form of clickable boxes. If you click on a specific Call box, you will go to the Call Details page for that Call. The visual example below shows a list of Horizon 2020 calls.

The screenshot displays the 'RESEARCH & INNOVATION Participant Portal' interface. At the top, there is a navigation bar with 'MY AREA', 'HOME', 'FUNDING OPPORTUNITIES', 'EXPERTS', and 'SUPPORT'. A user profile for 'IVAN TERZIEV' is visible in the top right. The main content area is titled 'Horizon 2020' and features a search and filter panel. A search box contains the text 'Filter a call' and a 'FILTER' button. Below the search box, there are radio buttons for 'Sort by' with options: Title, Call Id, Publication Date (selected), and Deadline Date. The main content area displays a grid of call boxes, each representing a specific call. The call boxes are organized into categories: 'Excellent Science', 'Industrial Leadership', and 'Societal Challenges'. Each call box includes the call title, publication date, and deadline. Green callout boxes provide instructions on how to use the filtering and sorting options.

Callout 1: Select one or more Topics to only see Calls involving these (depending on your other filtering criteria)

Callout 2: Use these options to sort the results by **type** and/or **status**

Callout 3: Here you can search for a Call by a specific keyword – type a relevant word in the field and click **FILTER**

Callout 4: Choose an option by which to **sort** the Calls result list

Callout 5: The Calls result list – click on the desired Call box to open its details and familiarize with them and/or proceed to proposal submission

APPENDIX A: COMPATIBILITY & TROUBLESHOOTING YOUR SYSTEM CONFIGURATION

Compatibility

The electronic submission system of the European Commission is a web application, so you will need a working Internet connection to use it. Although the system has been tested with a set of typical reference configurations, it is not guaranteed that the system will be fully functional on your computer. The system provides a diagnostic window that will warn you about some possible incompatibilities.

To use the electronic submission system, ensure that your computer configuration complies with the following mandatory system requirements:

Component	Mandatory requirements
Adobe Reader	Version X or above, all previous reader installations must be removed prior to installing the latest version
Internet connection	ADSL Line, 512 Kbps or faster
Memory	RAM – 512 Kbytes or more
Screen resolution	Minimum 1024 x 768 or higher
JavaScript	JavaScript must be enabled
Cookies	Cookies must be enabled
Pop-up blocker	No effect
User ID	Valid user ID with the Commission (ECAS account)

The following table shows the operating systems and browsers actively supported by the system, as well as the Adobe Reader version required for each configuration.

Operating system	Internet browser	Adobe Pro or Acrobat Reader
Windows XP	Internet Explorer 8 & 9 Firefox 3.6 or above Google Chrome 10 or above Opera 10.6 & 11 Safari 5	Version XI or above
Windows Vista & 7	Internet Explorer 8 & 9 Firefox 3.6 or above Chrome 10 or above	Version XI or above
Mac OSX	Safari 5 or above	Version 10.1.3 and above

Note: The system is best viewed with Mozilla Firefox 3 and above

Note: The use of mobile devices for online submission of research proposals is not supported.

Troubleshooting Your System Configuration

The primary compatibility issue concerns the seamless viewing and editing of the pdf forms inside your browser window once you click on **edit forms**. Your browser will either display the forms inside its window or it will download them in your download folder (after downloading them, you will be able to open them in Acrobat Reader X or XI and complete them. Whether you work on the form inside your browser window or with Acrobat Reader after downloading them, the end result is the same. In either case, as described in User Action 4 above, once you click on Validate, the form will perform a check and provide you the corresponding notices, and when you click on Save and Close the information will be sent to and saved on the Commission's servers. **REMEMBER: THE DOWNLOADED FORM HAS A TIME STAMP FROM THE COMMISSION'S SERVERS AND IT EXPIRES 13 HOURS AFTER IT IS DOWNLOADED .IF YOU DO NOT COMPLETE, SAVE AND CLOSE THE FORM WITHIN 13 HOURS, YOU MUST DELETE THE OLD FORM, RETURN TO THE WIZARD AND DOWNLOAD A NEW COPY OF THE FORM.**

<< Step 4 - Parties validate submit

done Version: 20140122-1403 - Service Desk: DIGIT-EFP7-SEP-SUPPORT@ec.europa.eu (+32 (2) 29 92222)

The bottom left side of your wizard will indicate whether your system is configured to display the form inside your browser window:

Configuration OK: your system meets the minimum requirements and all PDF forms will open within the browser.

Configuration unconfirmed: your browser does not meet the minimum requirements and all PDF forms will be downloaded and open offline, outside your browser.

What to do if your system configuration is not OK?

1. Make sure you have the correct version of Adobe Reader installed (see compatibility section above) and is set up as your default PDF handler. If you have an older version of Adobe Reader, uninstall it before installing the new version. To download Adobe Reader go to [Adobe Reader Download](#) and follow the instructions.
2. Most browsers have their own built-in PDF viewers. If your browser's built-in PDF viewer is not allowing you to properly open, view and edit the Administrative form in step 5, it is recommended that you disable your browser's PDF viewer and instead use the corresponding Adobe Reader plug-in. This way you will be able to open up, view and edit the form within the browser. As stated above, you can also complete the form offline and then save it to the Commission servers,.

The following instructions explain how to enable the Adobe Reader plug-in for the supported browsers and operating systems.

On Windows

Internet Explorer 7, 8 and 9

The steps to enable the Adobe PDF plug-in vary depending on your version of Internet Explorer.

- Select Tools and click on Manage Add-ons.
 - (Or select Tools > Internet Options, click the Programs tab, then click Manage Add-ons.)
- In the Show pop-up menu, select All Add-ons.
 - (In some versions the option reads: Add-ons That Have Been Used by Internet Explorer.)
- Scroll to the section of add-ons for Adobe Systems and select Adobe PDF Reader.
- If the status of Adobe PDF Reader is set to Disabled, click the Enable button.
- Click OK to confirm.

Firefox 3.6 up to 18

- Select Tools and click on Options.
- Click the General tab, then click Manage Add-ons.
- Click the Plug-ins tab (purple/blue icon). (The layout of this dialog box differs depending on the version.)
- Find and select Acrobat or Adobe Reader:
- If the Disable button is displayed (as shown above), the add-on is enabled and no action is required.
- If the Enable button is displayed, click Enable.

Firefox 19 and above

Please note that Firefox 19 and above has a built-in PDF viewer. You will need to enable the Adobe PDF reader plugin.

- Click on Tools and then click on Options
- Select Applications
- In the Content Type column, find Adobe Acrobat Document and click on it to select it
- In the Action column, click on the corresponding drop-down arrow and select "Use Adobe Acrobat (in Firefox)".

Google Chrome

Google Chrome uses the Chrome PDF Viewer as the default application to open PDF files. In order for the system to open up the PDF eForms within the browser you must disable Chrome PDF viewer

- On your browser type **chrome://plugins**
 - the Plug-ins page will be displayed
- Disable Chrome PDF Viewer
- Enable Adobe Acrobat plug-in

Older Google Chrome version plugins page:

Latest Google Chrome version plugins page:

[Disable](#) Always allowed

The 'Adobe Reader' entry is highlighted with a red box.

Safari 5

- Choose Action menu > Preferences and click Security. (The Action menu is near the upper-right corner of the Safari window, and looks like a gear.)
- Make sure that "Enable plug-ins" checkbox is selected

Safari will by default display PDF files using the Adobe Reader plug-in.

Opera 19

The latest Opera version will not display the pdf forms inside the browser. It will automatically download them in your download folder. You will need to open and work on them using the Adobe Reader or Adobe Pro application. When you are ready to click on the embedded Validate Form link or on the embedded Save and Close link, make sure your computer is connected to the internet, so that the information can be automatically validated or uploaded and saved to the Commission's servers.

On OS X

In OS X, the latest versions of Adobe software, Acrobat 10.1.x or XI and Reader 10.1.x or XI support viewing PDF files only inside the Safari browser. Other browsers, such as Firefox, Chrome and Opera, are not supported. We suggest you use Safari.

If Safari does not display pdf forms in the browser window, uninstall all older versions of Adobe Reader and [download](#) the most recent one. First close Safari and then install Reader. Launch Safari and you ought to be able to open the pdf files inside the Safari window. If you install Adobe Reader 10.1.x without first closing Safari, Safari will not display the pdf file inside its browser window until it is re-launched. For further help, please see <http://helpx.adobe.com/acrobat/kb/troubleshoot-safari-plug-acrobat-x.html>

These are the respective displays on the bottom left side of your wizard window for Firefox, Chrome, Opera and Safari

The PDF viewer browser plug-ins for Firefox, Chrome and Opera will not work because the form format is not supported by the plug-ins, and it will not display. These browsers will automatically download the form to your download folder and you will be able to complete it offline.

Troubleshooting Document Structure

After downloading the submitted proposal, you may receive a message such as: "The European Commission digital signature (eReceipt) of the submitted proposal is not validated."

The following procedure is only applicable for Windows operating systems

After downloading the submitted proposal:

- Click once on the signature located at the table of contents page
- Click on 'Signature Properties...' in the Signature Validation Status window

- In the Signature Properties window click on ' Show Signer's Certificate...'

- Select 'Trust' tab and Click on 'Add to Trusted Identities' in the Certificate Viewer window

- Click on 'OK' to confirm in the Acrobat Security pop-up window

- The Import Contact Settings window should be displayed

- Tick off the 'Use this certificate as a trusted root' and click OK (note: ticking off 'Certified documents' is not required)
- In the Signature Properties window click first on 'Validate Signature' and then on 'Close'

- The Commission digital signature or eReceipt should be validated

APPENDIX B: ECAS REGISTRATION

To use the online Submission Service, you need to have a personal user account with the European Commission Authentication Service (ECAS).

To register to ECAS, follow the instructions below.

Note: For additional information, see the [H2020 Online Manual](#).

ECAS registration steps:

1. Go to the Participant Portal:

<http://ec.europa.eu/research/participants/portal/desktop/en/home.html>

(A-Z) Sitemap About this site Contact Legal Notice English

European Commission > Research & Innovation > Participant Portal > Home

HOME FUNDING OPPORTUNITIES HOW TO PARTICIPATE EXPERTS SUPPORT

LOGIN REGISTER

Horizon 2020 Funding
Starting from 1/1/2014

On this site you can find and secure **funding** for research & innovation projects under the following EU programmes:

- 2014-2020 Horizon 2020 - research and innovation framework programme
- 2007-2013 7th research framework programme (FP7) and Competitiveness & Innovation Programme (CIP)

Non-registered users

- search for funding
- read the H2020 Online Manual & download the legal documents
- check if an organisation is already registered
- contact our support services or check our FAQs

Registered users

- submit your proposal
- sign the grant
- manage your project throughout its lifecycle

Sign up

* Required fields

Last update: 05/12/2013 (3.6.2-m) | 7 ms | [Top](#)

All fields in the registration form are mandatory.

4. Optionally, click the link [**Help for external users**] if you need additional instructions.
5. Choose a username and enter it in the **Choose a username** field.
6. Enter your **First name** and your **Last name**.
7. Enter your **E-mail**. When registration is complete, a confirmation email will be sent to this email address.
8. Enter your e-mail address again in the **Confirm e-mail** field. You will receive an error message and you will have to enter the email again if it does not match the e-mail address provided in Step 3.
9. Select the **E-mail language** that you want the European Commission to use for e-mail communication with you.
10. In the **Enter the code** field, enter the five characters shown in the blue box above the field. For security reasons, the characters are not displayed clearly and may not be copied from the blue box.

If you cannot read the characters in the blue box or if you enter them but you receive an error message, try the following:

- a. Click  to reload a different character combination and enter it in the **Enter the code** field.
- b. Click  to hear an audio recording of the characters. You will need to use your computer speakers or headphones – make sure you have turned the volume on to a comfortable volume level.

11. Click the [privacy statement](#) link under the **Enter the code** field and read it in the new window that opens. If you agree with it, close the privacy statement window and check the respective check box under the **Enter the code** field.
12. Click .
13. If you have not provided the required information in the fields, or you have entered a wrong code or an email address in an incorrect email format, the system will prompt you to go back and correct the errors before you can sign up.
14. On success, the ECAS system will display the following message to confirm that your account has been created:

15. The system will send you a confirmation email to the email address you provided in the sign-up form. Open the email and click on the activation link provided to activate your account. The link will expire after 90 minutes.

Note: Make sure to check your spam folder if you cannot find the confirmation email in your inbox.

16. The system will open another screen where you can enter the password for your account. Enter a valid password following the instructions on the screen.
17. The system will then confirm the creation of your account with the following message:

18. To log in with your new account, go back to the Participant Portal:

(<http://ec.europa.eu/research/participants/portal/desktop/en/home.html>) and click  to enter the system.

APPENDIX C: CALLS WITH SPECIFIC CONTACT ROLES

Most calls use the standard **Main contact** and **Contact person** roles for the Proposal Coordinator organisation. However, some calls may require more specific roles, such as Principal Investigator, Main Host Institution Contact, Researcher, Supervisor, Applicant, and so on. The call roles are specific to the call. Calls of this type are pre-configured accordingly, so that the proposal submission forms for them contain special sections to address the specific roles and the respective data as needed. Likewise, the Proposal Submission Wizard for these calls will display the respective role options, as configured for each call.

Call: H2020-MSCA-IF-2014

Contact roles:

- *Researcher* (one person with this role is mandatory for the proposal submission)
- *Supervisor* (one person with this role is mandatory for the proposal submission)
- *Contact*

The following visual example shows the Step 3 screen for the **H2020-MSCA-IF-2014** call:

Version: 20140801-1407 - Service Desk: DIGIT-EFP7-SEP-SUPPORT@ec.europa.eu (+32 (2) 29 92222)

Note: The following limitations apply regarding the assignment and reassignment of contact roles:

- There can only be one *Principal Investigator* role assigned to a proposal for this call. This means that if you initially created a proposal for this call as a *Contact person* assigned in Step 3 of the submission wizard, and you then added a *Principal Investigator* contact role, **you would not be allowed** to further change the *Contact person* role to *Principal Investigator* because the latter role already exists.
- If you created a proposal for this call as a *Contact person* assigned as the initial contact in Step 3 of the submission wizard, and you then added a *Main Host Institution* contact to the proposal, you **will be able** to change the *Contact person* to *Main Host Institution* after a confirmation prompt that the main contact would change, as shown below:

Note: 'Main contact' in this context means *Principal Investigator* contact or *Main Host Institution* contact.

Note: Once you have added the top-level contact role (*Principal Investigator*), the system will display the remaining contact roles only each time you attempt to add or edit another contact role.

GLOSSARY

Term	Definition
Applicant	<p>Generic term for any person/organisation that prepares and/or submits a proposal. Two types of applicants can be discriminated:</p> <ul style="list-style-type: none"> • The proposal coordinator • The partner <p>The "Proposal Coordinator" role is allowed to register and to submit the proposal, while the 'Partner' role is only involved in the preparation of the proposal. Synonyms: Partner</p>
Beneficiary	<p>A beneficiary or "beneficiary of the European Union funds" refers to the legal entity that signs a grant agreement and/or procurement contract (i.e. the grant beneficiary and/or contractor) with an "entity managing EU funds". Depending on the management mode this entity may be the European Commission, a beneficiary country, an international organisation, or a Community or national agency.</p> <p>Subcontractors or suppliers as well as partners/consortia members of the beneficiaries are not concerned. (http://ec.europa.eu/europeaid/work/funding/beneficiaries_en.htm) Synonyms: participant Broader term: partner</p>
Beneficiary Register	<p>An electronic system that enables organisations to register their details once and then use this registration for one or more participations, thus eliminating the need to provide the same information for multiple proposal submissions. The Web interface of the Beneficiary Register is accessible from the Beneficiary Register page of the Participant Portal: http://ec.europa.eu/research/participants/portal/desktop/en/organisations/register.html</p> <p>The Beneficiary Register also provides an organisation search tool where you can check if your organisation has already been registered as a participant.</p>
Call	<p>An invitation to third-parties to submit a proposal in order to get funding. Calls cover specific research areas and are always issued in the context of a Work Programme.</p> <p>All calls are announced in the EU's Official Journal and are published on the FP7 section of the CORDIS website.</p> <p>Call for proposals</p> <p>The European Commission publishes calls for proposals. It is an official invitation to submit a project proposal for a specific area of a framework programme by a specific date. Calls specify very clearly what is required in the Work Programme. Calls for proposals are officially published in the European Union Official Journal and on participant portal.</p> <p>1-stage calls</p> <p>For most calls, you submit a full proposal by the given deadline.</p> <p>2-stage calls</p> <p>Some calls have a 2-stage submission procedure, as follows:</p> <ul style="list-style-type: none"> ✓ Stage 1: You submit an outline proposal (standard maximum 15 pages, unless otherwise specified in the respective work programme, and on the proposal template in the submission system). This is evaluated against criteria set out in the call/topic. Note: For continuously open calls, your stage-1 proposal will be evaluated as soon as it is received, and there will be a closure date for submitting your full proposal in stage 2. Proposals submitted for continuously open calls cannot be re-edited or withdrawn. ✓ Stage 2: If your proposal passes stage 1, you will be invited to submit your full proposal within a given period. If required by the relevant work programme, at this stage you will also receive the stage-1 Evaluation summary report (ESR). ✓ Rejected proposals: If your proposal does not pass stage 1, you will be informed of this in writing, along with the evaluation summary report.

Term	Definition
Consortium agreement	The Consortium Agreement provides the legal basis for the internal relationship and responsibilities among the beneficiaries, and must be consistent with the provisions of the Grant Agreement. The Consortium Agreement is mandatory for all projects unless specifically excluded by the terms of the call for proposals. Such agreements do not affect the rights of the Commission/REA arising from the Grant Agreement and the corresponding obligations of the beneficiaries vis-à-vis the Commission/REA
Consortium	<p>A Consortium is a group of Participants, one of which is identified as the Proposal Coordinator in the proposal submission. The Consortium is represented to the Commission by a nominated Proposal Coordinator Contact, who is normally an employee of the Proposal Coordinator Organisation but who acts on behalf of all for most aspects of the project.</p> <p>In the context of a running project, the following constraints shall hold:</p> <ul style="list-style-type: none"> • There shall be exactly one Proposal Coordinator Contact within each Project Consortium. • The Coordinator Contact identified in the Project proposal shall be a person, nominated from within the Coordinator Organisation, to be recognised by the Commission as the primary point of contact between it and the Consortium. • Each Partner in the Consortium shall nominate a Partner Contact as its representative in the Project, who shall also be identified to the Commission. • LEARs in the Consortium may revoke the Partner Contact representing their organisation in the Project.
Deadline	For each particular call, this is the moment after which proposals cannot be submitted to the Commission. At this point the Submission system closes for the respective call. Deadlines are fixed and strictly enforced.
ECAS	The European Commission's Authentication Service - it is the system for logging in to a whole range of web sites and online services run by the European Commission. Once you use ECAS to log in to a Commission website, you will not need to identify yourself again for other Commission websites until you browser session expires.
Entry into force date	It is the date when the grant agreement enters into force. In general, this is the date when the last party has signed the grant (it can be the coordinator or most commonly the Commission).
ERC	European Research Council
Ethics issues	<p>Ethics issues are to be addressed by project proposals that involve the collection/experimentation with humans (including clinical trials), and/or human tissue, the collection or processing of personal data, human surveillance and intervention of any kind of experimentation with animals, genetic information, etc. Proposals that raise research ethics issues or those that do not address them adequately are usually identified by the scientific evaluation as needing additional attention by an Ethics Screening and/or Ethics Review Panel (ethics screening and ethics review are parts of the ethics review process).</p> <p>Ethics in H2020 is important throughout the project lifecycle, from the concept and the initial design until the dissemination of results.</p> <p>If there are ethics issues associated with or raised by a project, the applicants must describe how these will be dealt with in Annex I to Grant Agreement.</p>
Finalize GPF	<p>For the GPFs to be finalised and correctly sent to the Commission/REA, three forms have to be signed manually:</p> <ul style="list-style-type: none"> • One Form A2.5, 'Our Commitment,' per beneficiary has to be signed by the authorised representatives of the coordinator and each participant; • Form A2.6, 'Data Protection and Coordination Role,' has to be signed by the coordinator's authorised representative; • Form A4, 'Bank Account,' must bear the bank stamp and the signature of the bank representative (if the account is not already validated by the Commission/REA, which will be checked by the Project Officers) as well as the account holder's signature, with date. <p>The finalised GPFs are submitted to the Project Officer in one unbound copy on white paper with original signatures.</p>
Host Organisation	The target organization of a Marie Curie (MC) proposal, an institution where the work described in the proposal will take place, and the organization that will be receiving funding associated with the proposal. (Also

Term	Definition
	see: Fellow)
Indirect cost method ICM	It is the method for determining indirect costs (the so-called ICM). Please note that the choice of an ICM for a legal entity depends on its legal status and accounting methodology and it is usually valid for the entire duration of FP7. In FP7 all departments, faculties or institutes which are part of the same legal entity must use the same system of cost calculation (unless a special clause providing for derogation for a particular department/institute is included in the GA).The choice of the ICM should be carefully assessed. If a change of the ICM is required, it will have an effect only on future grants with the exception of the correction of mistakes, further details are given in the Amendments Guide. (ftp://ftp.cordis.europa.eu/pub/fp7/docs/amendments-ga_en.pdf).
Legal Entity Appointed Representative LEAR	The LEAR is a person nominated in each legal entity participating in Research (H2020, FP7) programmes. This person is the contact for the Commission related to all questions on legal status. He/she has access to the online database of legal entities with a possibility to view the data stored on his/her entity and to initiate updates and corrections to these data. The LEAR receives a Participant Identification Code (PIC) from the Commission (see below), and distributes this number within his/her organisation.
Operator	Internal user responsible for the management of the application and of the operational call.
Panel Review	<p>When there are insufficient funds to award grants to all proposals that achieve a qualifying score in the evaluation, a review panel will:</p> <ul style="list-style-type: none"> ✓ review the scores and comments for all proposals within a call to check for consistency across the evaluations ✓ if necessary, propose a new set of marks or revise comments, and resolve cases where evaluators were unable to agree <p>The panel may comprise experts from consensus groups, new experts, or a combination of the two. There may be one panel covering the whole call or several panels covering different parts of the call. Each panel will be responsible for one or more ranked lists, as defined by the indicative budget and call conditions set out in the work programme.</p> <p>The panel will recommend a priority order for proposals with the same score, using the procedure given in the work programme.</p>
Part A	This is the part of a proposal deals with administrative data. It is completed using the web-based electronic Submission system.
Part B – Template download and submission	This is the part of a proposal that explains the work that must be carried out and the roles and aptitudes of the participants in the consortium. This part is uploaded to the electronic Submission system as a PDF file.
Part B template	The template documents are intended to provide you the topics that you will need to expand upon as part of the supplied by the Commission and are downloadable in step 4 of the Submission wizard. They are in RTF format consisting of a template of all chapter headings, forms and tables required to prepare a proposal Part B.
Participant	<p>The Participant (short form of 'Participating Legal Entity') is a legal entity that has registered, or has a registration application pending, to participate in current or future proposals for research projects. A Participant must be validated (corporate) as a legal entity, uniquely identified within the Participant database by its Participant Identification Code (PIC).</p> <p>Participant registration is made through the Beneficiary Register on the Participant Portal and subject to a rigorous validation process that may last several weeks.</p> <p>Ideally, a LEAR is identified to be responsible for provision and maintenance of the Participant's legal and financial data. However, until a LEAR is identified and validated, this data may be maintained by the person who initially registered the organisation.</p> <p>Also named 'Proposal Project Participant'</p> <p>A "participant" is a legal entity taking part in an indirect action (i.e. a specific FP7 project undertaken by one or more participants) and having the rights and obligations defined by the Grant Agreement entered into with the European Commission (on behalf of the European Union). [from the Guide to Intellectual Property Rules for FP7 projects v.3)]</p>

Term	Definition
Partner	<p>Individuals and legal entities such as companies, consortia, universities, university departments, etc. are allowed to submit proposals requesting financial support. The 'Partner' assists the Proposal Coordinator in preparing the proposal.</p> <p>To avoid the existing confusion, a difference is made between a Partner Contact and a Partner Organisation. The Partner Contact is either an individual or empowered individual of an organisation having the responsibility to assist the Proposal Coordinator in the submission of a proposal.</p> <p>The Partner Organisation is the organisation to which the Partner Contact belongs or is linked to, and/or that has given the Partner Contact the responsibility to assist in the preparation of a proposal.</p> <p>Any company, university, research centre, organisation or individual, legally established in any country, who participates in a collaborative project (known as an indirect action) provided that the minimum conditions laid down in the rules for participation in a research programme have been met, including any additional conditions laid down by specific programmes or individual work programmes. E.g., Beneficiary, 3rd party, researcher, principal investigator (for ERC projects)</p>
Participant Identification Code Code PIC	<p>The Participant Identification Code (PIC) is a 9-digit unique identifier for every validated organisation. Participants will not have to submit their legal and financial information (and supporting documents) each time they submit a proposal or negotiate a grant agreement, but just their PIC.</p>
Participant Portal PP	<p>The Research and Innovation Participant Portal is the single entry point for interaction with the research Directorates-General of the European Commission, it hosts a full range of services that facilitate the monitoring and the management of proposals and projects throughout their lifecycle, including calls for proposals, and access to the submission and evaluation of proposals service.</p> <p>If you want to participate in a project proposal, your organisation needs to be registered with the Commission. Registration is available from the Participant Portal Beneficiary Register page where you can check if your organisation is already registered; if not, you can start the registration process on the same page and you will be redirected to the Beneficiary Register to complete the process. The same process applies for beneficiary registration data updates – you access your organisation from the Participant Portal My Organisations page and from there you can go to the Beneficiary Register to update your organisation data.</p> <p>If your proposal is successful, you will also need to know about the following (see the H2020 Online Manual available from the Participant Portal):</p> <ul style="list-style-type: none"> • the checks carried out on the information you provide on registering • appointing a representative (LEAR) • the checks that may be carried out on your organisation's financial viability
Project start date	<p>The relevant provisions of the Grant Agreement determine the start date of the project. This may be the first day of the month following the entry into force of the Grant Agreement, a specific fixed date as negotiated or a date to be notified by the coordinator within [x] months from entry into force of the Grant Agreement. Where the Consortium requires a specific fixed start date for the project that precedes the entry into force of the Grant Agreement, full details regarding the justification for the request should be given in writing to the Project Officer prior to the finalisation of Annex I to the Grant Agreement and of the GPFs. The Commission/REA may refuse this request if no sufficient and acceptable justification is provided.</p> <p>Costs can be incurred from the start date of the project but not before. Where the start date of the project precedes the entry into force of the Grant Agreement, future beneficiaries take the risk that the Grant Agreement might not be signed. In such a case, costs will not be reimbursed by the Commission/REA.</p>
Proposal	<p>A set of documents submitted by third-parties in response to a particular call, in an effort to get funded by the EC after evaluation.</p> <p>The main elements of a proposal are the administrative forms and the proposal text.</p> <p>Proposal is a proposed project.</p> <p>Proposals are submitted following a call for proposals by consortium/partners with the goal to be selected and funded by the Commission.</p> <p>Proposal</p> <p>In order to get EC funding for a project, applicants have to write a complete and detailed proposal describing</p>

Term	Definition
	<p>the objectives, planned activities and relevance with the corresponding Call's Activity(-ies). Proposals are individually evaluated by a team of independent experts. Only the very best project proposals will get funding.</p> <p>A description of the planned research activities, information on who will carry them out, how much they will cost, and how much funding is requested"</p>
Proposal Coordinator	<p>Individuals and legal entities such as companies, consortia, universities, university departments, etc. are allowed to submit proposals requesting financial support. The 'Proposal Coordinator' leads the submission process of the proposal and is the only applicant recognised by the Commission.</p> <p>To avoid the existing confusion, a difference is made between a Proposal Coordinator Contact and a Proposal Coordinator Organisation.</p> <p>The Proposal Coordinator Contact is either an individual or empowered individual of an organisation having the responsibility to request financial support via the submission of a proposal.</p> <p>The Proposal Coordinator Organisation is the organisation to which the Proposal Coordinator Contact belongs or is linked to, and/or that has given the Proposal Coordinator Contact the responsibility to submit a proposal to request financial support.</p> <p>The coordinator is a specific role of a beneficiary.</p> <p>The coordinator is the main driver and responsible for the project and normally it is the one communicating directly with the Commission.</p> <p>The coordinator submits the periodic reports and requests for amendments.</p> <p>It is usually the beneficiary responsible for redistributing the funds among further beneficiaries participating in a common project.</p> <p>Also named 'Proposal Project Coordinator'</p> <p>Broader Term: Beneficiary, Partner</p>
Proposal ID	<p>An identifier assigned to a proposal after it was submitted. Once a proposal is funded, its Proposal ID becomes its Project ID</p>
REA	<p>Research Executive Agency</p>
Security aspect letter SAL	<p>Security Aspects Letter (SAL): "a set of special contractual conditions, issued by the contracting authority, which forms an integral part of a classified contract involving access to or generation of EU classified information, and that identifies the security requirements or those elements of the classified contract requiring security protection", as defined in section 27 of Commission Decision 2001/844/EC, ECSC, Euratom.</p> <p>In the case of a proposal involving classified information (background and/or foreground), a Security Aspect Letter (SAL) and its annexed Security Classification Guide (SCG) must be part of the proposal.</p>
Security classification guide SCG	<p>The SCG will cover:</p> <ul style="list-style-type: none"> – The level of classification of background and foreground; – Which participant will have access to what information; <p>In addition, the following documents will be requested:</p> <ul style="list-style-type: none"> – A copy of the Facility Security Clearances (FSC) (or the FSC requests). The validity of the FSC will be checked by the European Commission' Security Directorate through the appropriate formal channel with the National Security Authorities (NSAs) involved; – Formal written authorization by the relevant security authorities to use the classified background;
Security considerations	<p>Security issues may be an important component of the research proposal evaluation procedure, especially in the FP7 Security Topic. All proposals received by the Commission/REA should clearly describe the security issues raised by the proposal, if any, and how they will be addressed in order to be in conformity with national, European and international regulations. For further references see Appendix 4 in negotiation guidelines.</p> <p>Synonym: security issues</p>
Security considerations flag	<p>A security-sensitive RTD action is an action that may need to handle classified information.</p> <p>A "security considerations" flag will be associated with a proposal:</p>

Term	Definition
	<ul style="list-style-type: none"> • when the applicant declares a proposal as sensitive; • if the expert evaluators, the Commission, or members of the relevant "Programme Committee" (except for the Security Topic) detect or suspect any of the following conditions: <ul style="list-style-type: none"> – Classified information is, or may be, used as background information – Some foreground is planned to be classified <p>Whenever a "security considerations" flag is associated with a proposal, the circumstances of the planned work will be further scrutinised according to the procedures for security scrutiny.</p>
Security scrutiny	<p>Special procedures will apply to security-related research, due to the sensitive nature of the subjects addressed, and the particular capability gaps that need to be addressed to protect Europe's citizens. RTD actions will be classified if they are considered as sensitive.</p> <p>These procedures will apply to all RTD actions under the theme 'Security' in the Specific Programme 'Co-operation'. They apply to other themes if so specified in the relevant call.</p>
Special clause (SC)	<p>A special clause is inserted in the Grant Agreement and is applicable where required.</p>
Stage	<p>A sequence of a submission and an evaluation procedure.</p> <p>A call for proposals can follow a one-stage or two-stage procedure.</p> <p>For one-stage calls, proposals are directly evaluated after being submitted.</p> <p>For two-stage calls, the proposal coordinator submits a short proposal that is evaluated; successful proposals are invited to submit a full proposal. The number of stages in the procedure and the type of proposal that is to be expected for each stage are configurable items.</p>
Step	<p>A round in the evaluation procedure. The evaluation of a proposal might be performed in one or two (or even more) steps. A first evaluation step may be based on a limited set of evaluation criteria, while another subsequent step may be based on the remaining evaluation criteria.</p>
Submission	<p>The formal act to submit a proposal to the Commission via a web based application. Proposals can be modified and submitted several times as long as the call has not been closed. After call closure the submission is prohibited and proposals are locked. Eligible proposals are thereafter made available to the evaluation system.</p>
SEP IT System	<p>The Participant Portal Proposal Submission and Evaluation System.</p>
Types of Action	<p>Horizon 2020 calls can have different types of action (funding schemes).</p> <p>The type of action specifies:</p> <ul style="list-style-type: none"> ✓ the scope of what is funded ✓ the reimbursement rate ✓ specific evaluation criteria to qualify for funding <p>See the H2020 Online Manual for more information.</p>
