

# International CeBiTec Research Conference, September 21<sup>st</sup> – 24<sup>th</sup>

Advances in industrial biotechnology: Prospects and challenges for the development of algal biotechnology

Center for Interdisciplinary Research (ZiF), Bielefeld University

## Program Outline

| Sunday, 21.09.2014                 |                                             | Monday, 22.09.2014                                                                   |                                                       | Tuesday, 23.09.2014                                                                        |                                                            | Wednesday, 24.09.2014                                                            |                                                     |
