

SWISS BIOTECH DAY 2014

The leading Swiss Biotech Conference and Annual General Assembly of the Swiss Biotech Association

The Swiss Biotech Day is the leading biotechnology conference in Switzerland. Every year, this event brings together more than 200 senior executives from the life science industry across Europe. Program highlights 2014 include unique insights into the investors' perspective of the biotech industry, as well as the presentation of the Swiss biotech report. As a new element of the Swiss Biotech Day, listed companies will present to the financial community in the analyst and investor track.

The Swiss Biotech Day offers a unique opportunity to meet top ranking representatives of the Central European life science sector.

More information on the conference, the complete agenda and a registration form can be found at www.swissbiotechday.ch
